

ECH Data

```
cd /cms/ech_data/archive  
ls -lt | more to identify dates to re upload
```

```
2024144.bz2  
cp 2024143.bz2 ../recovery  
cd ../recovery  
bunzip2 2024144.bz2  
cpio -ivm < 2024144  
/export/home/pserv/ech/ascii_resend
```

created a script on /cms/data/ to automatically upload files

check echlog

```
cat /export/home/pserv/ech/echlog
```
