

Troubleshooting

- LXC Debug mode
- fsck - file system consistency check on LXC

LXC Debug mode

```
lxc-start -n 104 -F -lDEBUG -o lxc-104.log
```

fsck - file system consistency check on LXC

```
pct fsck 104
```

if any error to manually check

```
fsck /dev/pve/vm-104-disk-0
```
